

On startbox scoring it will designate a barn and a stall number. Please park your trailers in the front field on the left as soon as you come in. Then you can walk your horse down the lane to the designated barn and stall. Stalls will have the barn and number on them as well as your name. please see the separate barn diagrams for where the stalls are in the barn. The lower barn has three sections a two stall shed row, the main L- shaped section of the barn and a smaller 5- stall barn below the L-shaped barn.
